## PROJECTS AND PLANS

### BILILINGUISM

- We are a bilingual school where certain subjects (math, biology and geology, physics and chemistry, geography and history) are taught in English through the CLIL methodology.

### PEACE AND NON VIOLENCE

- The department of Living Together focuses on the respect and measures to have good relationships

The background of the slide features a series of light gray, concentric curved lines that sweep across the frame, creating a sense of motion and depth. On the left side, there is a large red graphic element consisting of a horizontal bar at the top and a larger rectangular block below it, which has a small triangular point at the bottom center, resembling a speech bubble or a stylized arrow pointing downwards.

## ACTIVITIES OUTSIDE THE CLASSROOM

### TRIPS

- We have a very wide range of activities outside the school to enrich the students' knowledge: Granada, Córdoba, Cazorla, Czech Republic, Málaga, etc.

### FREE TIME ACTIVITIES

- Students are offered a variety of sports activities

# LANGUAGES

## ENGLISH CERTIFICATES
