

KALAJOKI

A white square frame with a wavy cutout on the right side, framing a coastal landscape. The landscape features a sandy beach, dunes, and a body of water under a clear blue sky. The word "KALAJOKI" is written in large, white, bold letters across the bottom of the frame.

Did you know that?

Maakalla

Maakalla is an island with dozens of fishers' cottages. It is about 18 km from the mainland. There is also a beautiful church and a fishing museum. You can only go to Maakalla by boat.

Ulkokalla is almost similar to Maakalla but there is a lighthouse.

Maakalla and Ulkokalla are basically autonomous regions. For example these regions have a certain degree of independence in several issues.
